

PRFCT Global Ground Rules

Every property matters and every person who commits to these Ground Rules will be making a difference—for the health of people, pets, and the planet. Together, let's **minimize harm** and **maximize biodiversity**—and health and joy!

I SAY YES TO . . .

Creating Habitat.

I will provide food, shelter, and water for all lifeforms in all seasons.

Planting Natives.

I will plant $\frac{2}{3}$ for the birds. For every three plants I purchase, two will be native to give the local wildlife the food they need to thrive.

Being Toxic-Free.

I will avoid all pesticides and chemical fertilizers.

Closing the Loop.

I won't let any biomass leave my property and I won't bring in any inputs or additives—only plants!

Conserving and Protecting Natural Resources.

I will reduce fossil fuels and noise, irrigate only when needed, and follow DarkSky guidelines.
