

Can You Make a Promise to Your Land?

MY LAND IS MY HOME, MY HABITAT.
I PROMISE TO . . .

- ▶ Refuse to use pesticides and fertilizers.
- ▶ Plant natives: $\frac{2}{3}$ for the birds!
- ▶ Close the loop: Nothing in or out—except more plants.

TOGETHER, WE WILL BE SAFE AND HEALTHY.

Learn how to be a PRFCT Gardener with our nature-based gardening resources at the QR Code.
